SUMMARY

As a senior Computer Science student with a passion for backend development, I excel at solving intricate problems with attention to detail. I am a collaborative team player who is eager to learn and contribute. My background in marketing as a specialist for three years starting at the age of 17 has helped me develop a strong work ethic and the ability to work under pressure.

WORK EXPERIENCE

Trainee
xWARE Integrated Solutions

📅 Jul 2023 - current

- Asyut, Egypt
- Entered Backend and Databases boot camp in xWARE Integrated system, gaining valuable experience in Backend technologies.
- gaining expertise in Django, Python, and databases for Backend development projects.

Internship
